

Care Management— only with Horizon NJ Health

If you or a family member has a complex or chronic medical condition, physical or developmental disability or a catastrophic illness, our Care Management unit can assess your needs, develop a care plan with your doctor and your input and help with routine health care services and more if necessary. We want to help you get the care you need quickly and easily.

Horizon NJ Health has special programs for many health issues, including:

- Mom's GEMs (prenatal care)
- Lead Poisoning Prevention
- Asthma
- Diabetes
- COPD
- HIV/AIDs
- Hypertension
- Congestive Heart Failure
- Immunizations and Well-Child Visits
